

Buddy Programme

Villa makes your girls feel very welcome....

At Villa Maria College we are committed to making sure that our International students feel welcome and happy.

That's why we have developed a *Buddy Programme*. Each International student is teamed up with a (kiwi) Villa Maria College student who becomes their friend, someone they can socialise with and ask for help if they need it.

The programme is a huge success with our International students and their buddies having meals together, going to each other's houses, going to the Mall to shop, seeing a movie together or just doing homework.

The Villa Maria College *Buddy Programme* is unique and illustrates another way we create a family atmosphere for our International students.
